

rocr::AMD::CpuAgent
::IterateRegion

```
graph LR; A[rocr::AMD::CpuAgent::IterateRegion] --> B[rocr::AMD::CpuAgent::VisitRegion]
```

A diagram showing a call from the `IterateRegion` method to the `VisitRegion` method. The left box is shaded gray and contains the text `rocr::AMD::CpuAgent::IterateRegion`. A blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text `rocr::AMD::CpuAgent::VisitRegion`.
