The diagram illustrates a dependency or call relationship. Two source functions, 'rocr::Addr::V1::Lib::ComputeCmaskInfo' and 'rocr::Addr::V1::Lib::ComputeHtileInfo', are shown on the left. Arrows from both point to a single target function, 'rocr::Addr::V1::Lib::ComputeTileDataWidthAndHeight', on the right. The target function box is shaded gray, while the source boxes are white.
