

rocr::AddrComputePrtInfo

```
graph LR; A[rocr::AddrComputePrtInfo] --> B["rocr::Addr::V1::Lib  
::ComputePrtInfo"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'rocr::AddrComputePrtInfo'. The right box is gray with a black border and contains the text 'rocr::Addr::V1::Lib' on the top line and '::ComputePrtInfo' on the bottom line.

rocr::Addr::V1::Lib
::ComputePrtInfo
