```

The diagram illustrates a dependency or relationship between three code components. On the left, there are two source boxes. The top box contains the text 'rocr::Addr::V1::CiLib::HwInitGlobalParams'. The bottom box contains the text 'rocr::Addr::V1::SiLib::HwInitGlobalParams'. On the right, there is a single target box with a gray background, containing the text 'rocr::Addr::V1::SiLib::InitEquationTable'. Two blue arrows point from the source boxes to the target box: one from the top source box and one from the bottom source box.
