

rocr::Addr::V2::Gfx11Lib
::HwlComputeNonBlockCompressedView

```
graph LR; A[rocr::Addr::V2::Gfx11Lib  
::HwlComputeNonBlockCompressedView] --> B[rocr::Addr::V2::Gfx11Lib  
::HwlComputeSubResourceOffsetFor  
SwizzlePattern]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'rocr::Addr::V2::Gfx11Lib' followed by '::HwlComputeNonBlockCompressedView' on the next line. The right box is gray with a black border and contains the text 'rocr::Addr::V2::Gfx11Lib' followed by '::HwlComputeSubResourceOffsetFor' on the next line, and 'SwizzlePattern' on the third line.
