

rocr::Addr2ComputeFmaskInfo

```
graph LR; A[rocr::Addr2ComputeFmaskInfo] --> B["rocr::Addr::V2::Lib  
::ComputeFmaskInfo"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'rocr::Addr2ComputeFmaskInfo'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'rocr::Addr::V2::Lib' on the top line and '::ComputeFmaskInfo' on the bottom line.

rocr::Addr::V2::Lib
::ComputeFmaskInfo
