A diagram showing a pointer relationship between two C++ classes. On the left is a gray rectangular box containing the text 'rocr::amd::elf::GElfRelocation' on the top line and 'Section::flags' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'rocr::amd::elf::GElfSection' on the top line and '::flags' on the bottom line.
