

rocr::amd::elf::GElfSymbol
Table::flags

```
graph LR; A[rocr::amd::elf::GElfSymbolTable::flags] --> B[rocr::amd::elf::GElfSection::flags]
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text 'rocr::amd::elf::GElfSymbolTable::flags'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'rocr::amd::elf::GElfSection::flags'.

rocr::amd::elf::GElfSection
