

rocr::core::Runtime
::DmaBufExport

```
graph LR; A[rocr::core::Runtime::DmaBufExport] --> B[rocr::KernelSharedMutex::shared]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'rocr::core::Runtime' on the first line and '::DmaBufExport' on the second line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'rocr::KernelSharedMutex' on the first line and '::shared' on the second line.
