

rocr::AMD::AqlQueue
::ExecutePM4

```
graph LR; A[rocr::AMD::AqlQueue::ExecutePM4] --> B[hsa_signal_wait_scacquire]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'rocr::AMD::AqlQueue' on the first line and '::ExecutePM4' on the second line. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'hsa_signal_wait_scacquire'.
