```
graph TD; A[src/inc/amd_hsa_common.h] --> B[stdint.h]; A --> C[stddef.h]
```

The diagram illustrates a header file dependency. At the top, a gray rectangular box contains the text 'src/inc/amd_hsa_common.h'. Two dark blue arrows originate from the bottom center of this box. One arrow points diagonally down and to the left, terminating at a white rectangular box containing the text 'stddef.h'. The other arrow points diagonally down and to the right, terminating at a white rectangular box containing the text 'stdint.h'. Both 'stddef.h' and 'stdint.h' boxes have thin gray borders.
