

rocr::AMD::hsa_amd
_interop_unmap_buffer

```
graph LR; A[rocr::AMD::hsa_amd_interop_unmap_buffer] --> B[rocr::core::Runtime::InteropUnmap]
```

A diagram showing a mapping from a buffer to a runtime function. On the left, a gray rectangular box contains the text 'rocr::AMD::hsa_amd_interop_unmap_buffer'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'rocr::core::Runtime::InteropUnmap'.

rocr::core::Runtime
::InteropUnmap
